William S Lowndes D Knickerbacker Boyd : Roofing and Sheet-Metal Work before purchasing it in order to gauge whether or not it would be worth my time, and all praised Roofing and Sheet-Metal Work:

0 of 0 people found the following review helpful. NOT WHAT I WAS LOOKING FORBy PADDLERI was a bit hasty when I ordered this book. I was looking for a current text book for the installation of metal roofs. Had I read a little more carefully I'd have seen that it was stated as having a copyright of 1939. The book was in good shape and an excellent collectors piece, but of no use for my project. I returned the book and received a refund that included the shipping, with no questions or hassle .
