Carol Dean Jones : Running Stitches: A Quilting Cozy before purchasing it in order to gage whether or not it would be worth my time, and all praised Running Stitches: A Quilting Cozy:

0 of 0 people found the following review helpful. Stitched TogetherBy NrhalterWhen I reviewed the first book, Tie-Died, I stated I was disappointed that we did not find answers to all the little extras in the book, like what happened to the quilt, or if there was anything in it, what happened to the person arrested for the murder etc. however, all this is answered in this book. I loved reading the last book because the characters were so great. This time is no exception. All the new characters are just as great, and we find out more about the back story for some of the original characters

in Tie Died. The characters drive the story. Even if there was not a murder or mystery, this would be a book very worth reading. I especially loved reading about all the different quilt blocks and the possible history behind some. I had heard some of these stories about the blocks before, and hope there is some truth in them. This is definitely a book worth reading, and I can not wait to read the next one. Hope you enjoy it as much as I did.0 of 0 people found the following review helpful. Suspense laughterBy stellaWonderful story! Touches on the lives of several characters. Humor, drama, educational, and creative. Can't put the book down. Excellent!1 of 1 people found the following review helpful. What a nice read!By Quiltin' GrannyBeing a quilter, I enjoyed all the references to different quilt blocks. The author did a great job giving the reader a little bit of history about what certain blocks meant.The characters were so real, she made me think of gals I know in my guild.Can't wait to read the next book. Will Charles Marry Sarah?

At sixty-eight, Sarah Miller has settled into life in Cunningham Village. She had been reluctant to move to a senior community, but has made friends, learned to quilt, and joined community activities. But then a young girl goes missing. Sarah and her feisty cohort, Sophie, promise to find her, but that promise may have been premature. Running Stitches offers mystery, excitement, fun, a touch of romance, family, friends, and lots of quilting! So, sit back, relax, and enjoy this sequel to Tie Died: A Quilting Cozy
