The book has a lot of activities for younger kids 10 and under. The recipe section is not as large as I expected but is still ok.

Packed with everything from constellation charts and spooky ghost stories to flashlight games and creative nature crafts, this book is the ultimate kid-friendly guide to exploring the great outdoors! Whether your camping trip takes you deep into the forest or just to your own backyard, make it s'more fun with these entertaining campfire songs, games, activities, recipes and tips. Make camping s'more fun with: Shivery Tales, Bug Charts, Glow Stick Hide and Seek, Packing and Campfire Tips, Make-Your-Own Cardboard Box Oven, Tent Shadow Puppet Show, and lots more!
