I love this book and can hardly wait to get started. I'm only a beginner but I can even figure out how to do these projects. And what cute projects they are! Probably the first few I do will be a little challenge putting them together but hey, that's okay. I wonder what other books Sandra Polley has. Great book and excellent service!!!0 of 0 people found the following review helpful. Four StarsBy Gloria HarndenGreat book. Love it and the price is right.2 of 3 people found the following review helpful. Fun toysBy Kindle CustomerAs always, Polley's toys just beg to be knitted. They are fun to make, the instructions are clear and concise, and the finish products are always in demand in my family. Great book!

This fabulous new book from the author of *The Knitted Teddy Bear* includes 16 knitting patterns for playful mice, naughty little rats, Christmas reindeer and elves, not to mention hand puppets, miniature dolls with a range of clothing and a complete meerkat family. Six beautiful bears in Sandra's signature style are also included. Workshop sections throughout the book, show the knitter how to adapt the patterns to create even more variations. There are projects for

knitters of all abilities from beginners to advanced and all the patterns use standard, easily available yarns. Clear instructions to both knit and construct all the toys and teddies and a wide range of accessories. This book will appeal to all knitters, particularly those who love making toys and teddies. Whether an experienced or a novice knitter, it will inspire you to create these adorable characters, to give as gifts or to treasure for yourself.

About the Author Sandra Polley is a successful designer, for several years running her own small business from her home in Leicestershire, selling knitting patterns to knitters and yarn shops throughout the world. She is also a best selling craft book author. Sandra's knitting patterns have been featured in many magazines including Woman's Weekly, Simply Knitting and [knitonthenet.com](http://knitonthenet.com) Sandra particularly enjoys designing toys and teddies for children and adults alike to enjoy, share and cherish.
