Frédéric Astier : Scale Modelling World War I Tanks before purchasing it in order to gauge whether or not it would be worth my time, and all praised Scale Modelling World War I Tanks:

0 of 0 people found the following review helpful. Great ResourceBy Jackson PolypExcellent photos and descriptions of ways to paint weather WW I British tanks0 of 0 people found the following review helpful. Scale Modelling World War I TanksBy CustomerNice book on how to model World War I tanks.

This book, intended for modelers, is devoted to scale models of tanks of WWI the stages of mounting, painting and creation of dioramas for 6 models: the Mark IV "Male" English, the Mark IV "Female," the A7V German, the Schneider CA, the Saint-Chamond and French Renault FT. Over the course of numerous sequences and 500 pictures illustrating this book, Frédéric Astier shares with you his knowledge to making; painting complex camouflage of the

Great War, skating and aging a model, making mud, painting miniatures, making scenery, etc. With this book, you will learn all about the style Fred Astier applied to the tanks of World War I. The photos of real gear as well as one gallery of the other achievements of the author complete this book

The superb colour photography of the models, excellent WW1 images and clear text make this book ideal for those wishing to build a theme of the earliest tanks. Recommended. (Scale Military Modeler International)It's really set me off thinking of WWI potential projects, a good gauge of this book's quality. (AFV Modeller)If you are looking for a book on WWI armor, this may be just what you have been searching for (Armorama)
