Memory Makers : School Days Scrapbooks (Memory makers) before purchasing it in order to gauge whether or not it would be worth my time, and all praised School Days Scrapbooks (Memory makers):

1 of 1 people found the following review helpful. School Days Scrapbooks By TatTatI used the book when I went shopping 2 weeks ago and it was very helpful. I am a beginner and not very creative and it helped a lot. I will definitely get another book. 1 of 7 people found the following review helpful. A must Have for moms of school age children! By danaI really enjoyed this book. I checked it out at my local library. I will be sure to use it again, again. Hope you enjoy it as well.

School Days Scrapbooks will help scrapbookers preserve the fun-filled activities of their early years at school with a personal school days scrapbook that will be cherished for years to come. Includes 120 fresh and innovative ideas for

school days, extracurricular activities, awards, assemblies, ceremonies, academics, portraits, home-schooling, religious education, and milestones. Memorabilia how-to's, fill-in-the-blank art and interactive photo paper piecing patterns provide a fun way for children to participate in the creation of his or her own scrapbook album.
