The directions are clear and easy to follow. I highly recommend this book. 1 of 1 people found the following review helpful. the best of Kim's designs from previous books By Jill Gorski This is a compilation book; the best of Kim's designs from previous books. While they are wonderful quilts, I already own most of her books, so this was an unnecessary purchase for me. It will make a lovely gift, though. 0 of 0 people found the following review helpful. Great Book By A. Rett I love to quilt and take certain blocks I especially like and make them to put on t-shirts. I like to turn a plain t-shirt into a unique t-shirt or sweatshirt. This book has some really pretty patterns I haven't seen elsewhere and having it on my Kindle app on my tablet makes it really easy to have at my fingertips while I'm making the blocks.
