Great idea bookBy LJKristin Ruten has a website called Log Your Memory and sells a wonderful calendar based book to keep up with your events, journaling, page ideas and more. This book is a companion, and also stands alone if you just want to get this one. It's beautiful to look at, simple to read, and

offers so many jumpstarts to journaling and scrapbook pages. It's the heart of what scrapbooking is, more than just pictures. So often we sit down to scrap and stare at the stuff around us, and don't know where to start! Just opening to any page is a guaranteed jumpstart! 2 of 2 people found the following review helpful. A lot of ads in the book and pictures of pages not clear and too small. 1 of 1 people found the following review helpful. Scrapbooking ideas galore!
