From Fine Art : Scrapbook Workshop: The Best Techniques From Your Favorite Scrapbook Bloggers before purchasing it in order to gauge whether or not it would be worth my time, and all praised Scrapbook Workshop: The Best Techniques From Your Favorite Scrapbook Bloggers:

6 of 6 people found the following review helpful. Awesome papercrafting ideas! By Scrapybarb This book arrived last night and I can't put it down! I have followed May Flaum's blog for years and I enjoy her style both in blogging and in papercrafting. This book is full of crafty bloggers and their fun projects. The book is loaded with clear, color pictures and step-by-step directions to complete the projects. Having this book is like taking technique classes from some of the most creative minds in the papercrafting industry today. Worth adding to your crafty library. 0 of 0 people found the following review helpful. Nothing redeeming here By volvomom I waited until I could buy this used or way cheaper. I

love idea books. This is one I should have passed on, at any cost. I'm a scrap booker who regularly reads scrapbooking blogs. Most of the bloggers featured I had never heard of, which was disappointing. The how to photos were unnecessary and of terrible quality. Actually most of the photos were subpar quality. The inspiration was dull and uninspiring. The worst part was the authors review of each blogger. This was repetitive and sounded like it was written by someone in junior high. I have never so disappointed by an idea book. 0 of 0 people found the following review helpful. Scrapbook Resources By Guadalupe Morales I would like to say I was really looking forward to owning the book until I received it. I was not impressed with the content. I was looking for more impressive presentations for my scrapbook albums and it was not there. Maybe someone else will get more out of it. I simply returned it. It was not worth my time or money. Sorry. Thanks!

A must-have for continuous scrapbooking inspiration! May Flaum has brought all your favorite and up-and-coming scrapbook bloggers together in Scrapbook Workshop. Whether or not you follow blogs, this collection will serve as an idea book filled with projects and techniques you'll use again and again. If you're new to scrapbooking, this book will share not only ideas but also introduce you to people to watch and follow for continued inspiration. And for those experienced or blog-savvy scrapbookers, you will find fresh ideas from favorite bloggers, as well as new outlets to check out and people to watch. Scrapbook Workshop offers: 30 Fabulous Techniques: While free layout inspiration is readily available online, this book focuses on techniques. The techniques are as diverse as the wide array of scrapbook bloggers that May has gathered here. Over 60 Pieces of Art: With plenty of variety from the 26 contributors, each bringing their own flair to Scrapbook Workshop. From the messier to the digital, it's all here! 26 Contributors with Fantastic Blogs: A variety of contributors mean lots of styles and inspiration for every level of scrapbooker, and May has brought together the best of the best bloggers to share their techniques, layout, cards and more! In Scrapbook Workshop, you'll not only find new inspiration and new techniques, you will also find resources and meet 26 scrapbook bloggers to keep you inspired!
