right track but also gave us plenty of good ideas to consider for my future business. I am grateful for Tracey's insight. Will recommend it highly.0 of 0 people found the following review helpful. Don't waste your money!By DianneThis book was a total waste of money and must have been written many years ago. It references scrapbook magazines that have been out of business for 12 plus years.

Scrapbooking is enjoyed by many people around the world, but few are aware that they can turn it into a full-time business and make money from it. Learn the valuable advice and skills you need to take your favorite hobby and turn it into a profitable business.
