If you're printing your own photos, it's fine.0 of 0 people found the following review helpful. A Scrapbookers Must HaveBy h\_merriweatherThis is a must have in your scrapbooking arsenal. Each sketch has several actual pages create from that sketch. It also shows how each altering the basic sketch can really personalize the page. All sketches are sorted by the number of pictures to put on the page which makes it great reference.I've had to buy this for some family and friends too, just so I can keep my copy.0 of 0 people found the following review helpful. Excellent source for page layouts!!!By D. PrestonI love all the various page layouts especially categorized by the number of pictures used for the layouts. I'm always looking for new ideas and this takes

each layout and provides many alternatives. I also have the first volume and enjoy it just as much!
