Creating Keepsakes, Leisure Arts : Scrapbooking Solutions (Leisure Arts #15935) (Creating Keepsakes: A Treasury of Favorites) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Scrapbooking Solutions (Leisure Arts #15935) (Creating Keepsakes: A Treasury of Favorites):

34 of 34 people found the following review helpful. For beginners who advance in skills quickly By Melinda I'm new to scrapbooking, but I've flipped through many, many books (although not magazines). This book contains some of the best styles I've seen: not cheap looking or trendy. There are advanced techniques in here, but I think they are explained well and broken down in easy steps. Besides, most people who scrapbook/do crafts are very willing to learn new and

interesting techniques. I think this is a book I will refer to for a long time as my skills develop. I also like the sections on organizing the workspace, choosing cameras, printers, and computer techniques. It's an excellent well-rounded reference. 1 of 1 people found the following review helpful. help for scrappingBy tferabbyI found the book to be very helpful, got some very good ideas from it. Would recommend it. I am a first timescrapbooker, and needed some basic help- was able to get that as well as ideas that don't look like beginner !I was able to reference back for the how- to's as well as some ideas for the actual "look" of some pages. this bookwas very helpful to me.0 of 0 people found the following review helpful. Great book to haveBy By Ericka C.Love it.Great solutions it's great book to have when scrapbooking.

More than 650 imaginative ideas, tips, and page designs offer solutions to challenges that both novices and avid scrappers face everyday. This comprehensive book teaches cutting-edge techniques, inspires heartwarming journaling, explains layout guidelines, and even offers practical advice on organizing tools and supplies.
