Rebekah Meier : Scrapbooking Techniques for Beginners before purchasing it in order to gage whether or not it would be worth my time, and all praised Scrapbooking Techniques for Beginners:

1 of 1 people found the following review helpful. This book is it, I will not need another!By ebettWow! What an amazing book. I just started scrapbooking and certainly did not know where to start and found this book on and I tell you it is wonderful!!! It is full of information, descriptions and ideas. I love the colors and just a simple and yet complete book. I truly believe I will not need another, I'm very happy with it and it's the best investment ever.0 of 0 people found the following review helpful. Very helpfulBy CustomerGreat book for a beginner. Very heplful.1 of 1 people found the following review helpful. Wonderful book!By BarbieJOf all the books on scrapbooking I have bought, this one is definitely the most informative...has tons of ideas and tips.

There are no rules to scrapbooking, but there is a vast array of possibilities for newcomers to the craft. What products should they buy? What techniques should they tryand how can they get great results? This fabulous guide explains it all. Inspirational photos and sample scrapbook pages throughout showcase different albums, illustrate photo-

improvement methods like cropping, and demonstrate the use of shadow stamping, painted backgrounds, metallic rub-on waxes, and unique embellishments like buttons, buckles, and charms. Special sections delve into more unusual techniques like aging and texturing, incorporating ribbon and lace trims, and creating pockets.
