Dena Crow : Scrapbooking Through the Year before purchasing it in order to gage whether or not it would be worth my time, and all praised Scrapbooking Through the Year:

"Scrapbooking Through the Year" is a must have tool for any scrapbooker. The 96 page color book has hundreds of ideas that are large and detailed. The products used are listed by each idea. The book is categorized and contains no articles or ads. The spiral binding keeps the book open and easy to use!

Great idea book. I like the large detailed pictures, and the spiral binding! -- Dean Wilson, June 2002
This wonderful book is for the "real" scrapbooker. It's truly an idea book, with no ads or "fillers". -- Peggy Livingston, June 2002
