Maureen Taylor : Scrapbooking Your Family History before purchasing it in order to gage whether or not it would be worth my time, and all praised Scrapbooking Your Family History:

2 of 2 people found the following review helpful. Very helpfulBy rescueAdogGreat book, learned a lot. Maureen Taylor is the best on heritage. I am happy with the purchase, the photos are wonderful.5 of 5 people found the following review helpful. genealogyBy Susan RifeI borrowed this book from a friend and after reading it I wanted to purchase it. It has lots of good tips on how to make a book about your family. One of the best ones I have seen.5 of 7 people found the following review helpful. Family HistoryBy D. ShieldsThe book is a very good publication; however, the picture that was shown with the product was the inside of the front cover and it turned out that I already owned the book. I had assumed the picture shown was the cover. Oh well, next time I'll pay more attention.

This voume shows scrapbookers and beginner genealogists how to uncover their ancestry and display it in a heritage

album. Readers will learn to: find and identify family photographs; put their ancestors into historical perspective; interpret historical documents and more.

About the AuthorMaureen Taylor is nationally known as both a genealogist and as a writer for Memory Makers, the best-selling scrapbooking magazine. She is a contributing editor to Family Tree Magazine, and more than 2,000 visitors a month read her online photo identification column on the magazine's Web site. She is the author of Uncovering Your Ancestry Through Family Photographs and Preserving Your Family Photographs. Maureen is a frequent lecturer and has appeared on "The View," MSNBC and DIY: Scrapbooking. She lives in Westwood, Massachusetts.
