**Stacey Panassidi : Scrapbooking Your Pets: 200 Page Designs** before purchasing it in order to gage whether or not it would be worth my time, and all praised Scrapbooking Your Pets: 200 Page Designs:

0 of 0 people found the following review helpful. Nice book - full of ideas  
By cabass This book is a nice addition to a scrappers library - it has a lot of ideas for layouts that could easily be used by traditional or digital scrappers. While most of the scrapbook pages shown document cats and dogs, other types of pets (fish, reptiles, rabbits, birds) are also included. Of course, the page layout ideas could easily be used for non-pet pages, too.  
3 of 3 people found the following review helpful. Great layouts but wanted to see more text  
By Tassu Any scrapbook idea book that has something else besides kids in the layouts deserves at least three stars. I gave this four because the layouts are beautiful and I got several ideas for pages about my cat. The reason why I didn't give it full five stars was that I was hoping for more pet quotes and inspiring text. Also I felt other than stark white background would have complemented the layouts better. However definitely worth the money.  
1 of 1 people found the following review helpful. I still enjoy this book  
By Scrappin' in the USA I was able to find many different ways to be inspired for several projects. I like trying new techniques as well as revisiting old ones. I'll be keeping this book for many years. I purchased this in 2008

from - if you are creative, you will find inspiration here - as with most pet scrap idea books - never enough on cats  
=^..^=1/19/2013

People love their animals--and now they can capture each playful, adorable antic and turn it into a fun scrapbook with the help of this colorful volume. It's chock-full of creative ideas for every pet, including dogs, cats, critters, and even farm and zoo animals. The possibilites are endless with the lively pages featuring stamps, machine stitching, patterned paper, ribbon, beads, rub-ons, silk flowers tassels, tiles, a zipper pull--all the wonderful accessories that scrapbookers enjoy using. Find your inspiration in pages dedicated to "Couch Kitty" and "Three Little Kittens"; "Every Dog Has its Day" and "Puppy Pick-Up"; "Hamster Head"; and "Kissing Frogs." Special boxes offer tips on techniques, suggestions on thinking outside the scrapbook, and endearing animal quotations.
