That Patchwork Place : Scrappy Fat Quarter Quilts before purchasing it in order to gauge whether or not it would be worth my time, and all praised Scrappy Fat Quarter Quilts:

3 of 3 people found the following review helpful. favorites revisited.....By kathy18951 favorites from Fons and Porter. Nothing new, still a nice volume for your collection. i do enjoy the patterns presented and fabrics used to create the book. Pages on techniques used were clear. i enjoy this book 0 of 0 people found the following review helpful. Five Stars By Carla R. Hartmann I like so many of these quilts - a good book to have 1 of 1 people found the following review helpful. Love The Fat Quarter Quilt Book By Donna Love this book and that you can use fat quarters and I have a lot of them will have fun making the quilts from them and have finally got patterns to use look like they are easy to do and direction are easy to follow would recommend to others.

Sparkling with gorgeous quilts from gifted designers, this collection is truly inspiring. Thirteen patterns range in size from easy to challenging and in size from lap quilts to bed-sized designs.
