I'd never heard of Bea Brock, but she's clearly a talented rug hooker and designer. With a too-large collection of leftover strips of wool, I needed some inspiration to turn them into mats and chair seats. This book does the job! One look at the cover will give you an idea of all the beauty inside. 8 of 8 people found the following review helpful. Perhaps the best available for Modern Designs of rug hooking! By Dee In the world of hooked rugs, it is hard to find images that are not traditional. This book shows outstanding, innovative and creative works. Also includes specific information on colors and tone ranges. Beautiful book! 10 of 10 people found the following review helpful.

Love this book!!By Paul JorgensenBea has done an amazing job with this book....it will be a reference guide for me for years to come. Great pictures, clear instructions and great tips for creating colorful rugs. I would highly recommend this book for the amateur or experienced rug hooker. A real gem!!
