This is a great collection of original and traditional blocks with cutting and piecing directions. A good number of color photos of blocks and finished quilt tops are included, and while the colors are not the most contemporary, the beauty and potential of designs is evident. Like all of Ms. Martin's books, this is a must have for the quilter who likes traditional with a twist in a wide palette of fabrics.0 of 0 people found the following review helpful. She is extremely precise so be prepared to do your best work.6 of 6 people found the following review helpful. Scraps, Blocks and Quilts by Judy MartinBy millie58Granted this product is old and does not have rotary instructions, it does give information for different sizes. The designs (blocks) can be used.
