When I first saw ScriptureDoodle, I knew it was a great idea, but I thought, "I'm not an artist." However, after seeing how April Knight gives you step-by-step instruction, examples, and encouragement, I decided to jump in. Since doodling through the pages and engaging with the devotional prompts, Scripture has come alive for me. Now when I read my Bible, I envision pictures and easily remember what I've read. Like April says, it's not about making a masterpiece. It's about worship. I can hardly wait for the next book: ScriptureDoodle God's Promises! 1 of 1 people found the following review helpful. A Truly Unique Worship Experience By Lauren What an awesome and creative tool for worship! April walks you through everything, whether you're artistically inclined or not! But the best thing is that she helps you to keep your focus on God. It's truly a one-of-a-kind worship experience! My kids and I sat around coloring for hours!

Often, in the busyness of life, Christians forget that God created them to enjoy creativity. With guided instruction and completed examples, this beautiful book invites readers to draw closer to God through their own art. More than a coloring book, ScriptureDoodle is a combination of Bible study, creative expression, and artistic community with artwork shared online at #scripturedoodle. Exploring topics such as being generous, finding rest, and facing grief, ScriptureDoodle gives the heart the creative space it needs. This book stimulates the readers imagination and helps integrate Gods Word into everyday life.
