Twenty-six designs for creating colorful and enchanting mermaids frolicking with their playmates are featured in this

guide to stained glass. Swirl and Eddy the lovesick penguin, Serenity and Splash the friendly dolphin, Crystal and Snowflake the ice pup all cavort and play amongst the waves. Included are tips for construction and glass choice and a verse that further enhances the personality and magic of each of these bewitching and alluring fairies of the sea. These designs are perfect for lovers of nature or fantasy and can be used with other crafts such as quilting, applique, machine or hand embroidery, and silk or china painting.
