5 of 5 people found the following review helpful. Wonderful ideas and beautiful pictures By Kayla Smith This book provides wonderful ideas and steps to creating sea glass crafts. Whether you are using it as an inspiration to create and make your own masterpiece, or if you are hoping to get detailed instructions, this book will help you use your sea glass in a unique way. I've collected sea glass for many years, and have used them mainly for decoration in a vase or glass jar. This book gave me the inspiration to start making windchimes and even some jewelry. Definitely recommend if you have a lot of sea glass sitting around and what something fun to do! 0 of 0 people found the following review helpful. Sea Glass Crafts By Sweets It was ok. I will make some of the crafts shown 0 of 0 people found the following review helpful. Very disappointed By Customer Have seen better sea glass crafts on Pinterest and Etsy. Book was not worth the \$\$ and my reimbursement on my return was only a third of what I paid for it and I am a Prime member.

Sea glass connects civilization and nature, often in surprising ways. And collecting sea glass and pottery shards is more popular than ever. However, beyond simply admiring their beauty, many collectors are at a loss as to just what to do with their collections. Sea Glass Crafts is filled with ideas to turn your seaside treasures into home decor--inside and out, practical and decorative, whimsical and serious. From a sea glass chandelier to a shower curtain, or a sea glass wreath to a shadowbox, sea glass expert Carole Lambert covers thirty fun and beautiful projects. Step by step directions, explanations of everything you'll need, and color photographs accompany each project. Sea Glass Crafts is

the perfect book for anyone fascinated by these jewels from the sea.
