Gretchen Hudock : Seasonal Quilts Using Quick Bias before purchasing it in order to gage whether or not it would be worth my time, and all praised Seasonal Quilts Using Quick Bias:

3 of 3 people found the following review helpful. Pretty Designs -- and EasyBy Arizona QuilterThe happy little designs in this book will delight sewists who love a touch of yesteryear. The "Quick Bias", which finishes off the designs, is easy to use and adds the "pop" of black outlining. (Quick Bias, which is fusible, is applied with a hot iron and then machine-sewn in place.) The twenty designs offered in the book are suggested for home items, but most of them could be adapted to embellishment of clothing as well. A snowflake applique, for instance, could be added near the hem of a flared skirt, or a flower applique to the back of a blouse, or a shamrock to a tote bag. The possibilities are limited only by one's imagination.

It's a whole year of decorating ideas for fans of the bestseller Quick Quilts Using Quick Bias! Use Quick Bias-a simple

press-and-stitch bias tape-to complete these easy designs.

About the AuthorHometown: Milwaukee, Wisconsin Gretchen K. Hudock is a familiar face to viewers of the PBS series Sewing With Nancy. She works as a quilting consultant for Nancys Notions, where she designs projects and tests new products.
