There was a game in the book, where you would look for specific images throughout the book. I haven't colored it. As it was a gift, so I can't speak on whether it bleeds when using pens. But my friend was pleased!0 of 1 people found the following review helpful. A great coloring book!By Kim wI am giving this book to my dad who loves to color. The pictures are fantastic! He likes very detailed pictures to color.2 of 4 people found the following review helpful. We had a lot of fun flipping through itBy KCPBought this for my sister who lives in London. We had a lot of fun flipping through it. I think it's well done.

A coloring book that will relax and inspire--all the while transporting you to the sights and scenes of London! Get your pens out, open this book, and discover London. Stroll along the Thames before taking a ride on the London Eye. Make your way through the bustling crowds lined up to see Big Ben and Buckingham Palace and stop by the shop windows of Harrods before sitting down for a cup of tea or a pint in SoHo. Let your pens and pencils replace your camera to capture the sights and scenes of one of the world's most exciting cities. Best of all, feel the stress melt away as your inner artist comes alive. Appealing to all ages, this intricate coloring book will inspire and delight.
