Joan Hinds : Sew Baby Doll Clothes: Instructions and Full-size Patterns for 30+ Projects for 12" to 22" Dolls before purchasing it in order to gauge whether or not it would be worth my time, and all praised Sew Baby Doll Clothes: Instructions and Full-size Patterns for 30+ Projects for 12" to 22" Dolls:

2 of 2 people found the following review helpful. Good as a base, pretty dull patterns By DianaThe book and patterns arrived in perfect condition from the seller, in a timely manner. The book did have the envelope with all the patterns included, in multiple sizes, also good. There were so many pieces, I find I had to separate them from each other and file in plastic sleeves, to make accessing them easier. The instructions were clear and nicely supported by pictures. The variety and style of patterns was a bit disappointing, in that they are very old fashioned. There were no modern leggings, short skirts, hoodies, bomber jackets, etc.,. Just little babyish dresses and romper suits. Most little girls these

days want the funky clothes you see in the stores, for their dolls. The book will be good as a base, especially if you are experienced at sewing and crafts and can improvise, which I will, but, overall, pretty dull patterns. 1 of 1 people found the following review helpful. medium and large pattern piece for each pattern number put into a separate numbered plastic sleeve in a 3 ring binder so they areBy VivIt has lots of patterns but is meant for someone that sews. I suggest that the pattern pieces all be cut out and matched together with the small, medium and large pattern piece for each pattern number put into a separate numbered plastic sleeve in a 3 ring binder so they are easy to find and use. It will make it easier if you are planning on making several of the outfits or different sizes for different size dolls. I think I will get lots of use out of the book. 1 of 1 people found the following review helpful. I was disappointed in the pattern book because the patterns wer NOT ...By Kathlyn Snell-MacKayI was disappointed in the pattern book because the patterns wer NOT in the book when I got it and the advertisement statedthat it was complete with patterns. It is very difficult to make clothes without patterns to go by. Sorry I have to report this, but I really was upset since the cost was exhorbitant by the time the shipping and all other costs were included. Yours truly, Kathlyn Snell-MacKay

The newest release from doll clothing authority Joan Hinds, this new addition to her line of books for sewing doll clothing extends to fashions for 12" to 22" baby dolls.
