**Leisure Arts : Sew Much A Memory (Leisure Arts #3970) (Leisure Arts Memories in the Making Collection)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Sew Much A Memory (Leisure Arts #3970) (Leisure Arts Memories in the Making Collection):

0 of 0 people found the following review helpful. A good read By devon In comparison to other craft books of its type, I would say it was just ok. I liked the idea on the cover, and the book gives you a general step by step guideline in doing collages with some examples. It is a relatively small book as far as pages go, I didn't get many ideas as I hoped, overall it was ok.

Sewing! Scrapping! Stamping! Preserve pieces of the past while displaying them for family and friends in the frames,

shadowboxes, or on wall hangings. Leaflet features step-by-step how-tos for creating twelve unique memory collages.
