It's not specific how to sew the neat edging on the applique features, which will have an impact on how well a kid could get their project to look as nice as the picture. So direction outside of the book will be needed.6 of 6 people found the following review helpful.

bookLETBy DaiInside its material, this item calls itself a "booklet." I only wish the description had too! The "book" is 20 pages long, 10 of them being filled with only patterns. There are four projects total. For its price, I was expecting more pages with instruction and/or pictures, and less of patterns. Somewhat disappointed with this purchase for the way the description led me to believe it was thicker. It isn't even the thickness of a thin magazine. The only upside to this item is the quality and style of the projects detailed. 2 of 2 people found the following review helpful. Great for ages 10-14-ish By JK Cute! Great for ages 10-14-ish. The directions could be a bit clearer but projects are cute and simple enough to complete. Note: This is a short "book", not many projects/text, 20 pages total.

Pillows are one of the easiest items to sew, and one of the most affordable ways to add a splash of color and personality to a room. With twelve cute and cuddly animal pillows to make, and easy-to-follow, step-by-step instructions, seamstresses of all skill levels will enjoy making them. It is so easy to create these adorable pet pillows - all that's needed is a sewing machine, some inexpensive fabric, and a few basic sewing tools. The hardest part will be deciding which pillow to make first!

About the Author Choly Knight has her finger on the pulse of what today's young crafters really want. A power-seller on Etsy.com, she is the author of six sewing books from Fox Chapel Publishing. Choly has been crafting for as long as she can remember, and has drawn, painted, sculpted, and taped everything in sight. She took up sewing at age 12 and knitting at 21. After going to college for English and Studio Art, she now enjoys trying to find numerous different ways to combine all of her passions of writing, fine art, and craft art.
