These vintage dolls from museum collections trace the history of the 19th century fashion by examining t he changing styles of its miniture counterparts. Whether you "re a collector, dresser or sewer, enjoy discovering the wor ld of doll"s clothing. '

From Library JournalLibrary patrons looking for books on how to dress Barbie dolls may bypass this title, but the

serious doll collector?and indeed anyone interested in re-creating historical costumes?will find a gold mine of information. Hamilton, who combines practical garment-making information and patterns with a social history of the time, spent five years studying antique garments at the Wenham Museum and Yesteryears Historical Collection in preparation for writing this book. All costumes are shown in color photographs and are modeled on dolls from the period. Highly recommended for doll, costume, and textile collections. Copyright 1997 Reed Business Information, Inc.
