Melanie Hurlston, Quinlan Rosalie : Sewn Toy Tales before purchasing it in order to gage whether or not it would be worth my time, and all praised Sewn Toy Tales:

2 of 2 people found the following review helpful. I loved the creatures in the book and purchased material to ...By N. RohdeBuyer beware!!!! I purchased this book in kindle format. I loved the creatures in the book and purchased material to make several. Much to my dismay when I went to the link for the PDF for the patterns listed in the book I ended up on a site that does not even sell the book let alone have the PDF for the patterns available. If I could I would give this book negative stars. I did not purchase a book for its pretty pictures. It is totally useless without the PDF's. If the website changed or PDF's are no longer available that should be noted in the description of the book or the book should be withdrawn from the kindle format.12 of 12 people found the following review helpful. Sewn Toy Tales (melly Me)By Kathleen A. DurrI really like the book except for having to enlarge the patterns. I thought the patterns would be regular size but they are not. You have to enlarge them alot so if you get the book be prepared to do lots of

enlarging. This can be a problem if you don't have a copier. Now for some good news. The patterns are cute and the creatures are pretty easy to make once you get your patterns set up. Sincerely, Kathy Durr
45 of 47 people found the following review helpful. Great designs, terrible patterns
By susan
I really like the designs in this book but I hate the fact that the patterns need to be enlarged 200%. I paid for patterns not to go to a copy shop and pay again. This is not how patterns should be printed. They should be full size.

Melly Me present a fun and fabulous collection of personality-packed designs that will have readers sewing adorable toys in no time! Each of the brightly colored characters is a joy to sew for all abilities, making them the perfect gift for children or adults, or a trendy home accessory. Projects combine simple sewing techniques with funky fabrics, embellishments and color palettes to add zing and excitement to readers' sewn toy creations. Easy to follow step by step instructions and quirky photography make this book a delightful gift as well as an irresistible addition to sewing collections.

About the Author
Melly Me is a design label founded in 2006 by sisters Melanie Hurlston and Rosalie Quinlan. Specializing in bags and soft toys, the Melly Me look is all about mix-and-match fabrics and modern colors. Rosalie recently launched her first range with well-known fabric company Lecien and both sisters attend all the major fabric design shows, including Quilt Market.
