Would buy again.0 of 0 people found the following review helpful. Not as good as I was expectingBy Shannon H.I absolutely love Ali Edwards designs was hoping this book would be just as enjoyable. I was quite disappointed. It's an OK book, but definitely doesn't stand up to AE's other stuff!1 of 1 people found the following review helpful. Good read - lots of ideasBy Book AddictUnlike Ali's other books, I may not keep this one long-term - not sure it is one I will want to read over and over for inspiration - but it was definitely a great book.I enjoyed reading through the book, and there are many wonderful ideas listed.
