The pictures are so adorable and I use gel pens (mostly) to color the pictures. I do not have problems with bled through and the paper quality is EXCELLENT!! I like the fact that I get two of every picture. I always have the opportunity to use a different set of colors on the second picture. I am more than pleased with this product.0 of 0 people found the following review helpful. Great coloring book for all ages. Even 68 year olds.By Nail nutThis was a Xmas gift. Everyone is into adult coloring but my mom loves coloring the books by Sheri Ann Baldy. I have a few more ordered before Xmas yet. I never get it wrong when I buy those. Each page has two of the same thing so you get another chance if you mess up. I wish all books were like that. Would definitely recommend trying these if you have a person who likes to color in your life.1 of 1 people found the
