What a great buy.0 of 1 people found the following review helpful. Scrapbooking projects for your home decor.By C. EnglishI purchased this book for my scrapbooker friend. There are so very nice projects for the home and she thought so as well. I hope she makes us both some of them.

Put Your Talent on Display!Don't hide all your creativity in albums. Show it off! Go beyond the boundaries of your scrapbook pages and pull out all the dimensional stops. All it takes is some inspiration, your stash of supplies and an

empty place on the mantle. Show it off! gives you the tools for putting your creativity on display. Each chapter provides tons of project ideas like collage frames, clocks, shadow boxes, mini albums, boxes and photo cubes. Comparisons of the same projects - in layout and display format - illustrate what makes a project great for display. Plus, many of the projects are popular album sizes, letting you easily adapt the ideas to create traditional layouts. With Show it off!, you get everything you need to take your projects out of the album and into real life. Over 120 project ideas, many in popular album sizes Step-by-step instructions and photos Tips for creating dimension, binding mini albums, choosing frames and more Complete supply lists for every piece of art Get ready to turn flat into fabulous. It's time to break out of the album and Show it off!
