Nancy Mahoney : Simple Circles and Quick Curves: Machine Applique the Easy Way before purchasing it in order to gage whether or not it would be worth my time, and all praised Simple Circles and Quick Curves: Machine Applique the Easy Way:

0 of 0 people found the following review helpful. Just what I expectedBy sewingalwaysA friend let me know where I could find a pattern for a quilt that I wanted to make. I am happy that I bought this book. Price was good, shopping fast, and I have the quilt pattern I needs1 of 1 people found the following review helpful. Wonderful Circle DesignsBy Karen MaloneI love the look of circles and curves but was always afraid of the sewing involved. Nancy describes a very easy, straightforward technique to machine applique the circles. Her quilts are vibrant and graphic and now I just have to decide which one to make first!1 of 1 people found the following review helpful. AWESOME BOOK!By tammy reynoldsI chose this book for the circular effects and because I really like Nancy Mahoney's work. I

would recommend this to those who don't like sewing curves.

Love the look of curved piecing but not the pinning and matching required to make a quilt with curves? Author and designer Nancy Mahoney shows quilters how to cleverly create that dynamic look using easy machine applique. Choose from eight scrappy quilt patterns featuring beautiful curved-applique designs. Learn two versatile machine-applique methods: fusible applique and starch applique. Use convenient fat quarters, fat eighths, and precut strips--or cut from your stash.

Nancy Mahoney shares 2 applique techniques to make the awesome circular quilts in her new book *Simple Circles and Quick Curves*. The 8 patterns included are ideal for using fat quarters, fat eighths, precut strips or a variety of colorful scraps from your stash. --*Quiltmaker Magazine*, March/April 2014. Nancy Mahoney's *Simple Circles and Quick Curves: Machine Applique the Easy Way* provides a fine collection of curved-applique designs and teaches fusible and starch applique techniques especially useful to any newcomer to using applique. From using precuts or cuts from a stash to following patterns and making different blocks, this is a fine survey packed with tips and techniques perfect for any newcomer to machine applique. --*Midwest Book*, February 2014. Love the look of curved piecing but not the pinning and matching required? Author and designer Nancy Mahoney shows quilters how to cleverly create that same dynamic look using easy machine applique. Choose from eight scrappy quilt patterns. Use convenient fat quarters, fat eighths, and precut strips--or piece from your stash! --*Quilt-It Today Magazine*, March/April 2014. If you like the look of curved piecing, but don't want to take the time to do it, this book is for you. Nancy shows how to create the same look using two different methods of machine applique. Eight new lap quilts combining piecing and applique are sure to inspire your creativity and reduce your fabric stash... or send you straight to the fabric store! --*Fons Porter's Love of Quilting*, March/April 2014. Nancy's new book *Simple Circles and Quick Curves -- Machine Applique the Easy Way* is Nancy's 13th book she has written with Martingale. Take your applique to a new level by using it to create lovely stash busting scrappy quilts. All quilters face the challenge of piecing curves and circles but there are times that challenge can be a bit daunting. Nancy, faced with many of the same issues, has devised a way to use starch applique with heat-resistant plastic templates, invisible thread and a tiny machine blanket stitch to create the look of curves and circles without any of the headaches. Instructions for both fusible applique and starch applique done with a machine are clearly written with good illustrations. There are eight quilt projects included in the book. --*The Applique Society Newsletter*, March/April 2014. From the Inside Flap: Create eight scrappy quilts featuring curved-applique designs! Learn two machine-applique methods: fusible applique and starch applique. Use convenient precuts or scraps from your stash. About the Author: Author, teacher, fabric designer, and award-winning quiltmaker Nancy Mahoney, of Palm Coast, Florida, has enjoyed making quilts for more than 25 years. Her beautiful quilts have been featured more than 100 times in national and international quilt magazines. Nancy has designed several fabric lines for PB Textiles, along with dozens of patterns.
