It turned out beautiful.1 of 1 people found the following review helpful. Beautiful projects to make using this bookBy quilt ladyBeautiful projects to make using this book. The slightly used book was in Excellent condition and I am so glad I purchased it. Photos of the quilts were wonderful and I am looking forward to making several of them for my home. I really like Kim Diehl's style and fabric choices. All her quilts will be a wonderful addition to any home.1 of 1 people found the following review helpful. Beautifully Done Quilt BookBy Wendi MorrisThis has to be the most beautiful quilt book I have ever seen. The settings and pictures are amazing. The quilt projects seen to be within my reach and doable. The directions are very clear and exact. Not sure I'm ready to take on that much applique but when I am I know where to look. The only thing

I wish had been included was a chart for making each of the quilts in different sizes.

Wrap up, cuddle in, and snuggle under--indulge in the best of what quilts bring! In this sequel to her bestselling book *Simple Blessings*, Kim Diehl is back to share more of her signature style in an all-new collection of charming, comforting quilts. Create 14 traditionally inspired quilts in a variety of sizes to warm any room of your home. Learn Kim's clever technique for achieving a hand-sewn look with machine applique. Find "Pin Points" tip boxes throughout, filled with helpful hints.

Issue 48, July 2007 The quilts in this book have that beautiful traditional country-style feel to them and make a wonderful visual impact. In this sequel to her best-selling book '*Simple Blessings*', Kim Diehl has surpassed expectations and has created fourteen fabulous appliqued and pieced quilts, table toppers, doll quilts and wallhangings, every one of which I would love to make (or at least have someone else make for me!). Each quilt is beautifully presented and the photography throughout is totally inspiring. It is rare to find a book in which you love every quilt but this is most definitely one of them. With step-by-step instructions for each project, Kim guides you through basic quilting techniques and her invisible machine applique technique. You can of course use whichever applique method you prefer. If you love country-style and appliqued quilts then this is a 'must-have' and most definitely gets a seal of approval from the Fabrications team.

About the Author With just the third quilt she'd ever made, self-taught quiltmaker Kim Diehl became the winner of *American Patchwork and Quilting* magazine's "Pieces of the Past" quilt challenge in 1998, turning her life down a whole new and unexpected path. Her work has been featured in numerous national and international quilting magazines. In addition to her best-selling "Simple" series of quilting books for Martingale, Kim has designed several fabric collections for Henry Glass Co., enabling her to be involved in the full circle of quilting from start to finish.
