before purchasing it in order to gage whether or not it would be worth my time, and all praised Simply Bead Wire: 20 Jewelry Projects (Simply (Sterling)) (Paperback) - Common:

Based on the book "Contemporary Bead Wire Jewelry", this title collects together 20 projects. It teaches the basic techniques and provides a collection of projects for budding jewelers, from gold filigree earrings with carnelian beads to a pearl-accented pendant of gleaming amber, each piece is stunning.
