**Pat Cross : Simply Primitive: Rug Hooking, Punchneedle, and Needle Felting (That Patchwork Place)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Simply Primitive: Rug Hooking, Punchneedle, and Needle Felting (That Patchwork Place):

15 of 15 people found the following review helpful. Simply PrimitiveBy anyomousSimply Primitive is another cogently written work by Pat Cross. The book will inspire and guide both the novice and the experienced artist of the primitive style. There are many original designs with patterns for you to create your own works of art. Pat tells you where she finds her inspiration and how she creates her designs. The book is beautifully illustrated with color pictures of the wools and the tools Pat uses, and encourages you to select what "works for you". I am a rug hooker and have selected 2 of her designs which will be winter projects for me ... Quilted Cats [the cover design from an antique quilt]

and Cat Birds [this is done in 2 just colors ! with an amazingly effective border]. Pat shares several Punchneedle designs, but I am intrigued most by the Needle felting and suspect I'll be working with roving this winter as well. With her clear and detailed instructions, you can even punchneedle and/or needlefelt parts or the whole of her hooked rug designs. And, if you have not bought Purely Primitive ... buy both of these books; you're in for a treat. 0 of 0 people found the following review helpful. Simply Primitive is Simply Terrific By RonJPat Cross has done an excellent job instructing her readers in the techniques of hooking rugs, needle felting, and punch needle embroidery. She discusses hoops and frames, hooks, cutters, color planning, and more. The book includes eight patterns for hooked rugs, two for punch needle, and three for needle felting. Each project includes how-to instructions, materials list and resizable patterns. The patterns can be used for both rug hooking and punch needle, depending on the size you want. Great reference! 0 of 0 people found the following review helpful. Five Stars By keVERY NICE - FULL OF GOODIES

Hook, punch, and poke your way to the popular primitive look! Get a complete introduction to three super-simple crafts: rug hooking, punchneedle embroidery, and needle felting.

About the Author Pat Cross is an award-winning designer and teacher. Her work has been published in Rug Hooking magazine.
