2 of 2 people found the following review helpful. Simply She cards By BritePopple I love these cards. They have witty sayings about being single. They're a great item to give to your single friends. They'll get a kick out of it. They have old style photography with little witty sayings inside like "I can't date anyone skinnier than me. I once dated someone whose pants were tight on me, so I broke up with him." I think all single girls will get a kick out these cards.

SimplyShe's line of boxed note cards uses real-life humor and style to speak to women about the shared experiences that make up their busy lives: dating and being single, friendship, transitions, getting married, pregnancy, and motherhood. SimplyShe cards offer a refreshingly modern way to stay connected by putting exactly the right words in exactly the right, irresistibly pink package. SimplyShe talks about everyday events in the language women actually use with one another. Its truth-based humor is at once compassionate, ironic, insightful, and universal. Finally, a card line

that says it like it is!
