Traditional piecing gets a fresh look! Do you love quilting, but are looking for a modern aesthetic? If so, you'll love *Sister Sampler Quilts*. Inside, you'll find 25 interchangeable sister blocks and 3 sampler quilts that challenge traditional grid layouts with fun, innovative settings. Create block pairs as identical sisters or flip flop the color schemes for a patchier appeal in quilts that beautifully bridge the gap between traditional and modern. Whether you're a beginner or a more advanced quilter, you'll enjoy practicing and perfecting quilting basics, like half-square triangles, flying geese and hourglass blocks, to beautiful effect. Modern traditional quilting is the perfect way to blend old and new techniques to create a quilt that's uniquely yours!
