1 of 1 people found the following review helpful. Enjoying The ColoringBy Donna Yarbrough I am enjoying the book. Although it is not a very big book, enough pages to be worthwhile. Snow is like Christmas morning for me, filled with wonder and awe. So I enjoy using white, blues, purples and silver to make my snowflakes come alive. 0 of 0 people found the following review helpful. On the GoBy Connie O'Keefe Edwards Very cute little snowflake coloring book. Easy to carry with you on the go.

Inside this 8.5 X 8.5 inch coloring book, you will find 25 one sided pages of Snowflake inspired original designs that will give you hours of coloring pleasure. You say you don't color and not interested? Hmm, But you are here on this sales page. Ah-ha! curiosity isn't it? Ok, fair enough, You want to know why you should buy this adult coloring book. Coloring has been proven to help you relax and unwind after a stressful day at work. (I think it might also help after attending a family reunion but no promises.) But seriously, Adult coloring has been getting a lot of attention lately for it's stress reducing side effects. (Don't know about you, but I prefer these types of side effects over what the commercials say the pills may give you.) Still not sure about buying this Snowflakes for Adults coloring book? Want to see some of the designs first. To see some of the designs in the book click on the cover for the "Look Inside" feature. Over on the left you will see a blue Surprise me link. Click that link repeatedly and it will show you more

pages then if you just use the side arrows. Like the images but snowflakes are really not your thing? Fair enough and I thank you for looking, maybe if you know someone that does like snowflake designs you could pass this page to them. Or better yet, remember a coloring book makes a great inexpensive present. This book and a set of colored pencils and it's a sure win! Please also remember that as with most coloring book pages, your markers may bleed through, so in order to protect the next page, it is advised to put another piece of blank paper or card stock behind the page you're coloring.
