Erma Bomberger : Soap Making for Beginners: One of the Best Soap Making Books You Need (Soap Recipes for Beginners) (Volume 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised Soap Making for Beginners: One of the Best Soap Making Books You Need (Soap Recipes for Beginners) (Volume 1):

0 of 0 people found the following review helpful. Five StarsBy Mike PolzinGreat book for beginners like me. Really good recipes and good reading. Very helpful.0 of 0 people found the following review helpful. Less Palm Oil than normal. Yay!By CustomerOnly had a few recipes but thankfully not all of them used Palm Oil.0 of 0 people found the following review helpful. Five StarsBy Pier Luigi LongIn a word, fabulous!

For many people, the process of making soap is one that seems like it would be a complicated process. The truth is that it is not. While there are many proficient soap makers out there you never really hear of soap making for beginners classes or Books being offered, until now. The Soap Making for Beginners Book is the only guide to soap making for beginners that you will ever need as the author literally takes you by the hand and teaches you step by step how to make your own soap. Between the number of soap recipes books and soap making books out there on the market today, no other Book will give you easy to follow steps on how to make soap and simple soap recipes that you can make such as this Book. In this book you will find a variety of simple recipes that no other soap recipes books contain and find the easiest steps to follow to make soap that no other soap making books can teach you. So, come along and get started on the right foot with Soap Making for Beginners: One of the best Soap Recipes Books You Need.
