**Bev Missing : Soap Making Naturally** before purchasing it in order to gage whether or not it would be worth my time, and all praised Soap Making Naturally:

1 of 1 people found the following review helpful. Techniques for intermediate soapmakers and natural soapmakersBy WOOLYLAMBThis is quite a nice book. Although it goes over beginner material, the techniques are better suited for an intermediate soapmaker. The soaps are pretty, and there are lots of photos to go along with technique instructions. This is not a recipe book. While there are a few recipes, half of the book is dedicated to creative techniques.1 of 1 people found the following review helpful. making soapBy Linda D. WaldronVery interesting details on soap making.,

All-natural, handmade soaps are luxurious--and expensive. Create your own handmade soaps using only natural

ingredients, and you can control what goes on your skin without busting your budget! The author, creator of a beauty products line, shares dozens of original recipes for natural soaps that cleanse, soothe, moisturize, and energize the face, hands, and skin. Instructions on basic techniques, including cold process, cold process with an oven, and hot process, as well as special techniques for varying shape, texture, and appearance Step-by-step instructions for making 30 unique soap designs Advice on hand milling and rebatching Hints for packaging the natural soaps you create

About the Author Bev Missing is the founder of RAIN, a beauty products company based in South Africa, with stores now open in New York City, California, and Europe.
