Angela Pierce : Soap Making Recipes Book 3: Hot Process Soap Recipes before purchasing it in order to gage whether or not it would be worth my time, and all praised Soap Making Recipes Book 3: Hot Process Soap Recipes:

3 of 3 people found the following review helpful. I feel like I wasted every penny that I paid for this ...By CustomerThis was far from a book. If you haven't actually started HP soap making this would be confusing. There are so many grammatical errors that it almost laughable, especially when in the middle of the book add is replaced with a**. I feel like I wasted every penny that I paid for this when I could have gotten similar information from the internet for free.3 of 3 people found the following review helpful. The translation is horrible. The misspellings are

numerousBy Melanie M.The translation is horrible. The misspellings are numerous, to the point that it is distracting and difficult to read. I don't feel like this is worth a dollar, let alone the \$5 something that I paid. Do not buy, you can get this info online.7 of 7 people found the following review helpful. Not much hereBy Kassithis isn't long enough to be considered a book. more like about 4 mediocre recipients. there is also no section on tools needed. There was definitely not enough here to feel like I got my \$4 worth.

With so many brands and types of soaps available in the market, the idea of making soaps at home seems a little bit weird, but the satisfaction and enhancement of creativity while experimenting different colors, pattern and shapes while soap making will make you fall in love with it.
