0 of 0 people found the following review helpful. and it seems like a rush jobBy Anastacia RussellI was given a free copy for an honest review.This book is a very basic introduction to making soaps. The photos are all stock photos, there is no "personal touches" added, and it seems like a rush job.There are very few recipes for soaps as well. I'd suggest a better book if you're new to soap making.

About the AuthorKit Miko Michiko is an entrepreneur and very passionate crafter of all things country-themed. His parents migrated from Japan and settled in San Diego California. Just like his parents who were inclined to home based business, Kit Miko has pursued a business not away from home. He started making soaps from grade school, as part of their chemistry projects. In his desire to perfect all aspects of the soap, the science project turned out to be a soap honed to perfection. Through the years, Kit has made a collection of soap recipes and now selling like hot cakes. To this date, Kit resides in San Diego. His pad just minutes drive from his parent's home. He has put together this book with a strong desire to reach out to as many individuals as possible; to give out an idea and spark that business person from within.
