Alicia Grosso : Soapmaking: A Magickal Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Soapmaking: A Magickal Guide:

0 of 0 people found the following review helpful. A Delightful Little BookBy G. M. MCNAIRI'm a real fan of Alicia's books....they're my soaping "bibles" so to speak. If I am unsure of how to proceed on a recipe, I open this book, or the "Everything Soapmaking Book" first. I haven't been let down yet.This book is an interesting departure, and a unique approach to soapmaking. I find it very spiritual, and wonderful.Alicia's writing is unpretentious, her directions and safety guidelines are good, and the recipes produce nice soap. Her charts on essential oils and additives are worth the small price of this book with nothing else!Another plus is that it gives a great introduction to the spiritual aspect of

soapmaking. There's nothing bad here, just an earthy, loving approach to a craft that deserves a lot of respect. A fun variation of the art of soaping, and a very worthy read! 0 of 0 people found the following review helpful. It's ok but not great
By JACQUIE Not really impressed. It's ok. Not as nice of a book as I thought it would be. 0 of 0 people found the following review helpful. Two Stars
By madeleine de segre For me it's more a book to have as complement to other soap making books that are more instructional

Using vegetable oils, herbs, essential oils, and common kitchen equipment, this book will give you and guide you through 25 all-natural recipes for luxurious, gentle, beautiful, and magickal soaps. It includes a recipe for each of the eight Pagan Sabbats, Moon Phases, Handfasting, Quest, Croning, and other major life events. Drawing on her long experience with soap, herbs, oils, and Earth-based spirituality, Alicia Grosso will also teach you how to infuse your handmade soaps with wishes, prayers, dreams, and magick. Non-magickal people will find good, basic instruction for natural small-batch soapmaking, along with herb lore and ways to fill soap with prayers, wishes, and dreams. Although written for the beginning soapmaker, even the most seasoned soaper will find inspiration in the rituals and procedures of making magickal soap.
