Cute and simpleBy Grover SmithVery cute dolls made from simple materials that any adult and most young students with basic skills can , with some adult supervision , make memories together . Can be done entirely by hand no need for a sewing machine , just scissors , fabric ink pens , needle and thread making this an inexpensive , great and safe way to learn or teach some one else sewing basics . When done you will have a delightful doll as a memory or a gift .1 of 1 people found the following review helpful. However, probably a good start for those with no sewing experience.0 of 0 people found the following review helpful. Five StarsBy Galegreat

Each of the thirty dolls featured in this book is made from a pair or two of socks, using a special technique developed by the author. Included in the instructions are tips on making hair and embroidering and painting faces.
