Memory Lane!By Sheri BrownI grew up in a time when making sock puppets was common way to create a beloved toy. Sock Puppet Madness brings back so many good memories! I am going to use Marty's ideas for an after-school enrichment class in my school. He has so many good ideas for characters that connect with the younger generation. His great sense of humor makes the reading of the instructions a ton of fun!

It's a simple equation: old sock + craft foam x glue = a collection of the most amazing incredible, outrageous, awe-inspiring sock puppets you've ever seen. Sock Puppet Madness includes 35 of the most fun, outlandish, off-the-wall and enchanting characters on the planet, and by following the simple step-by-step instructions, you'll be able to put together your own puppet in no time. Take Bawston the ornery cat puppet, for example. He's a baseball fan with a questionable temper, so watch what you say to him. A more friendly guy is Sebastian Metaphor. He may seem aloof with his hipster appearance but behind those sleepy eyes lies a heart of gold. If you're a sophisticated sort why not have a crack at Penelope Durtlinger, an heiress to a small fortune with an insatiable thirst for power. All the puppets are so simple to create, using just a few readily available materials that cost next to nothing - plus everyone has an old sock they can use, right? So what are you waiting for? Buy this now and make your own collection of sock puppets and join in the fun. And once you've made all the projects, why not create your own characters based on friends and family, too.

About the Author Marty Allen is a Boston-born, Brooklyn-based puppet-maker, artist, writer, musician and liker of life. He makes all sorts of things. One thing that he is least proficient at is writing biographies in the third person. While he likes to talk about himself at length, in general said missives devolve into something or other about sandwiches. Visit his website at martystuff.com.
