**Annie's : Spellbinders Books (Annie's Attic: Paper Crafts)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Spellbinders Books (Annie's Attic: Paper Crafts):

4 of 4 people found the following review helpful. Good gift ideasBy Barbara ChaseThis book was not really what I had expected. It is well written and has some good photos certainly but is more about making the items for gifts than about using the die-cuts themselves. Perhaps I should have read more about the book before I purchased it. I will add it to my library of craft books for sure and possibly use it later. But I am a card maker and scrapbooker so wanted something more in line of basics and advanced use of the die-cuts available.1 of 1 people found the following review helpful. Mostly jewelry-type gifts.By MauisueI was hoping that this would give me some ideas for gifts to make with cardmaking supplies, such as the embossed wrap for a candle shown on the cover of this book. I don't think there is one thing I will make from "Giftabilities." Its focus seems to be jewelry-type items, and if that's what you want to use

your Spellbinders for, then you will likely enjoy this book. It just wasn't what I was expecting!0 of 0 people found the following review helpful. Not so HotBy CustomerI was disappointed with this book. I wish I had not purchased this one. I may try to resell it to . But I'm not sure. There aren't any gifts that I would make to give to someone.

The stunning detail in this showcase of fine gifts for friends and family can be easily recreated at any skill level. With easy-to-follow instructions and an accessible materials list, each project is designed to ensure a successful creative experience. From jewelry and ornaments to frames and memory albums, the innovative projects span all seasons of gift giving and agree with any budget. The tutorials utilize popular Spellbinders products that are available at major retail locations across the United States and Canada.

About the AuthorAnnie's is part of the third-generation Muselman family business, founded in 1925 and long known for original craft designs including crochet, knitting, card making, paper crafts, beading, sewing, quilting, and needlework. Annie's books are sold through independent retailers and major chain stores worldwide. They are headquartered in Berne, Indiana.
