I purchased it as new, I thought.0 of 0 people found the following review helpful. Amazing designsBy Karen AnnandVery happy with the book. They have some wonderful designs, but quite complicated with many pieces, you would need to be a confident leadlighter for these patterns.0 of 0 people found the following review helpful. peteBy peteHave note yet used it but I purchased because I wanted a panel shade with a dragonfly. I do not feel I can attempt the dome pattern dragonfly lamp shade yet. Will comment further when I finish the panel lamp.

18 square stained glass lampshade designs in 3 sizes, 12", 14" and 16"! Designs include florals, landscapes, birds,

Americana, dragonfly and more.
