By Georgiana Andrews My mother wanted to get this book for a friend but she could not afford the \$80+ price she found in bookstores and other websites. While we were on the phone discussing it, I found it on for a little more than half that price, ordered it and it came a few days later. My Mom was thrilled and her friend loved the book because it has windows of the Church she went to growing up. It is a gorgeous book and if you are familiar with any churches in the Philadelphia area, it will be like coming home. I would definitely recommend it.
