Once again, these guys have given us the rare and unusual to do in glass. I especially love the GreenMan pattern and the Unicorn Moon pattern. Truly wonderful patterns and only a lack of imagination could hold you back with this collection! Thanks again to the great artists at Paned Expressions.

If you like the world of mythology and fantasy, then this is the CD for you. Over 50 stained glass designs of Fairies, wizards, gargoyles, trolls, dragons and other fantastic creatures of the human imagination are illustrated in their full glory. There's panel designs as well as suncatchers and mirrors. Patterns accommodate all levels of glass expertise. Each full size pattern is available in a JPG, TIF, and Glass Eye 2000 format for easy resizing and recoloring in any graphics program on your PC or Mac.

These Stained Glass Patterns offer something for all skill levels. Over 50+ popular full-size patterns in 3 formats. --Maureen James, Glass Patterns Quarterly  
A collection of 50+ stained glass patterns - something for everyone! It's easy to resize and recolor these patterns yourself. --Vicki Gillespie, Stained Glass News
